Students are required to give both a prepared and impromptu speech. They are required to write an essay and participate in a Super Quiz on this years topic: The History of Flight.

For Folsom High to take home the gold for a second year demonstrates not only the ability of the students who participated but the ability of Folsom High as a Whole.

BULLDOG 'D' closes the gap on QB

THE DREAM CONTINUES

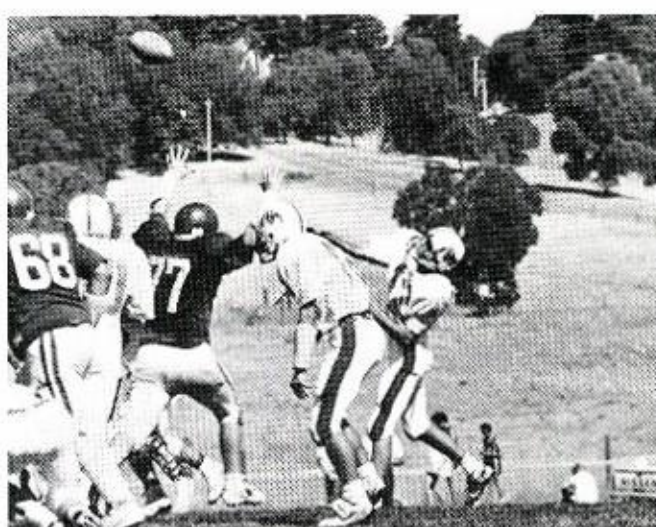

For the second straight season the young 'DOGS' went through the Golden Empire League season undefeated and retained their **LEAGUE CHAMPIONSHIP**. With an overall record of 9-0 the 'Bulldogs' went through some very tough opponents often making it look easy. Quarterback Jeff Gautschi (M.V.P.) lead an offense that averaged over 35 points per game. However, by no means was he the only offensive threat. Depth was the key as offensive lineman Greg Seay (Outstanding Lineman), James McGaha (Most Improved Player), Bill Dayton, Tony Emerson, Matt Goodell, Art Emory, Dave Warner and Dan Norfleet opened huge holes for the likes of Joey Benesch (Outstanding Back), Matt Shaughnessy, Chad Griffin and

Kirk Hood (Co-Team Captain). Our defense picked up right where it left off last season averaging less than 10 points per game. Leaders of the defense were ends Chris Stasko and Dave McDonald, linebacker Trey Blue (Co-Team Captain), and defensive backs Rick McCann, Mike Cather, Rick Lampshire and team leader in interceptions was Mike Norris. Leading to the team's success were outstanding special team players, this group included Tony Rios, Ed Anderson, Mike Kennedy, Pete Baniak, Dan Allen, Jay Dickenson, and Mike Marcus.

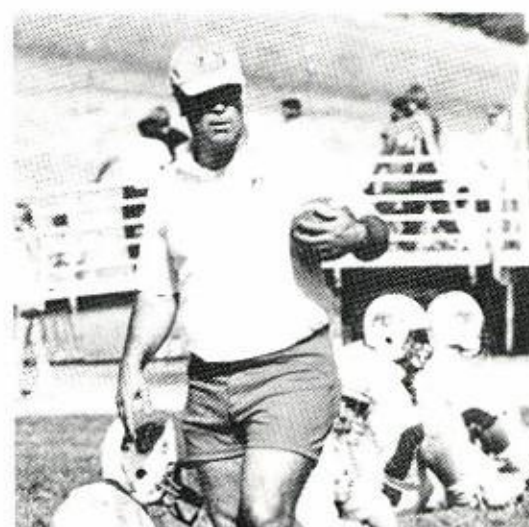

Congratulations to the entire Junior Varsity Team for another exceptional season. Great Job!

S P I K E R S

Even though we didn't win all of our matches, we had several games in which we played to our very best. Thanks to the new varsity coach, Kathy Morrow, and her assistant Barb, this season was looked upon with great pride. Our record does not show this, of course, but to watch a game and witness our intensity of play, one would never have guessed our final win/loss ratio. Best of luck to the seniors of the '88 season.

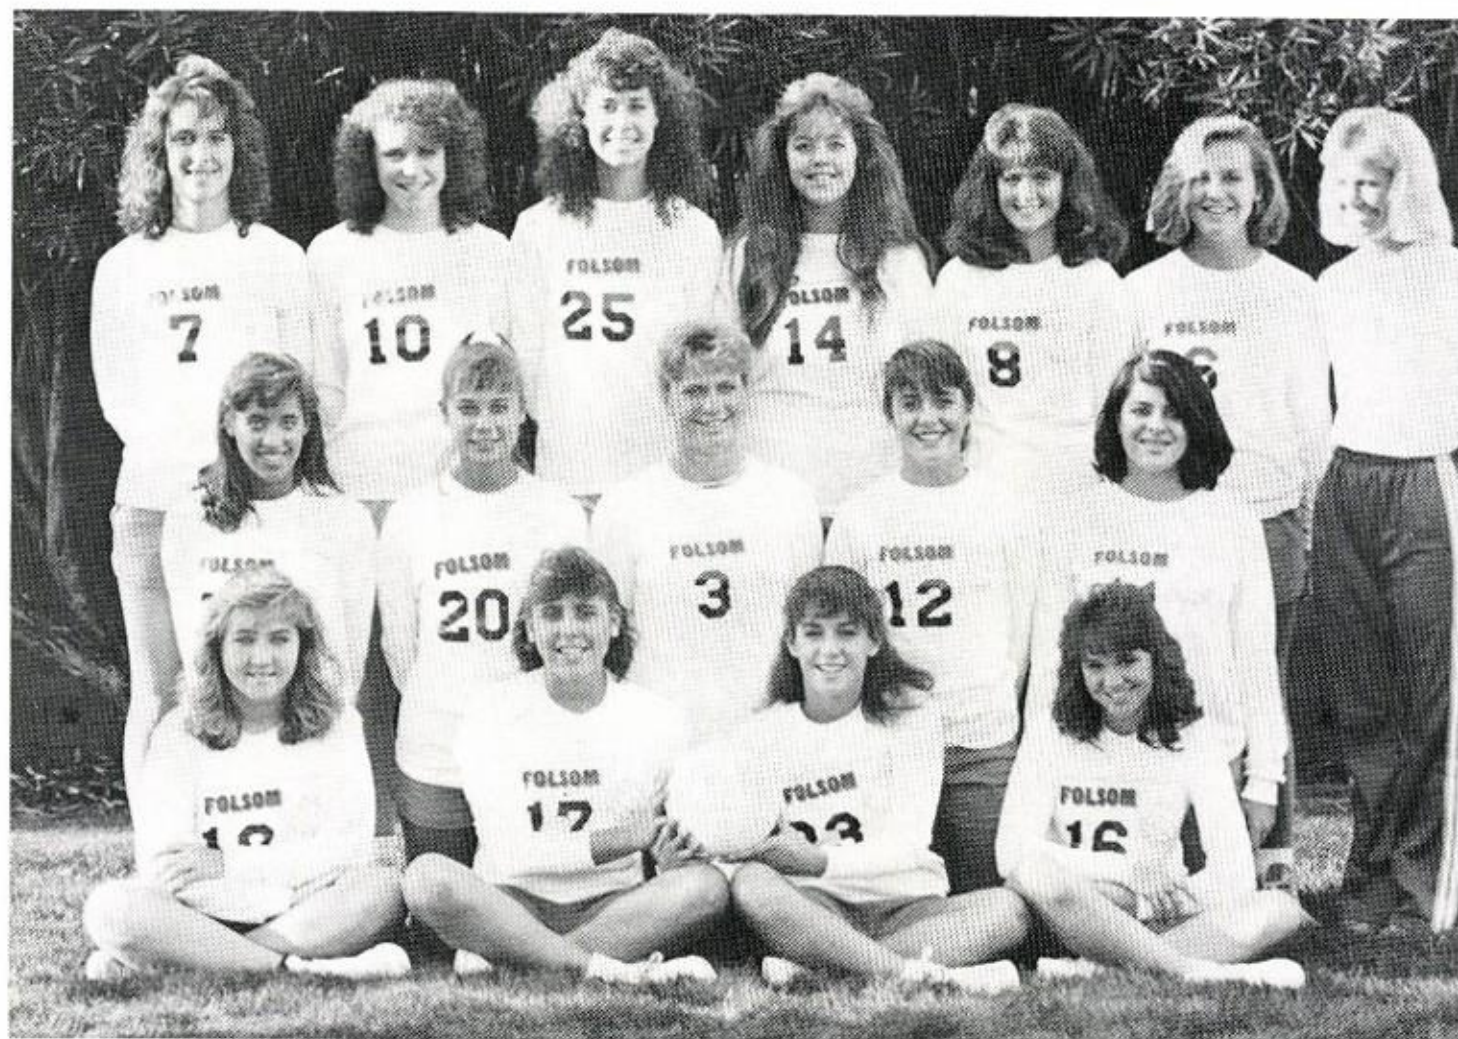

Congratulations:

The Junior Varsity finished the season with six wins and ten losses in league play. J.V. was made up of eleven players that had never played league volleyball and four that had seen previous limited playing time the year before. Even with the lack of experience, their losses were hard matches and not easily won by the other teams. Most games were closely matched, so it made the games exciting to watch and challenging to play.

Folsom had eleven sophomores and four new freshmen. They played with desire, dedication, and determination that you don't find on J.V. teams. Other schools in our league thought we had recruited a different squad for the second half of the season. J. V. players were often complemented by other teams.

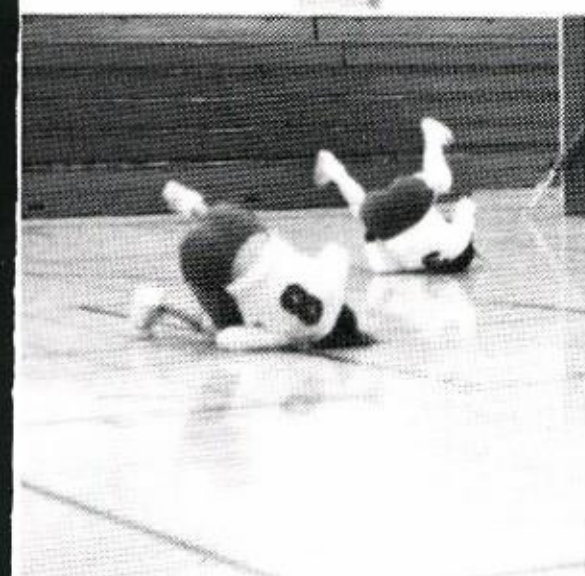

Congratulations to Kelly Moreno, most valuable player; Stephanie Haxton, most improved offensive player; Kristen Brown, most improved defensive player; and Christina Sharp, most inspirational player.

VOLLEYBALL

G.E.L. SQUAD

The 1987 Folsom High Soccer Team had another fantastic year. Coach Chauvet, who has headed the Folsom boys for the seven years of their existence, enjoyed one of his best seasons with his fifth league championship team, 15-0-1 in league and an overall 22-2-2 mark which included section-runner up honors.

Led by **Coach of the Year** Gary Chauvet, the Folsom High Varsity soccer team dominated the All-Golden Empire League team by placing six seniors on a squad of 15 players. Awarded first team recognition for the Bulldogs were Eric Chauvet, Shane Ruggieri, Mark Cwynar, Jimmer Broff, Grant Stewart and Rob Newlin. Two more Bulldogs, senior fullback Scott Campbell and sophomore defensive stopper Jerry Newlin, were voted second team spots.

Center forward Eric Chauvet and center fullback Rob Newlin were runners up in MVP spots. Chauvet was a repeater from the 1986 all-league team and was the offensive leader with 18 goals, 17 assists, and an amazing presence around the opposition's goal mouth. Rob Newlin was the bullwark of a stingy Folsom defense which made most games one sided affairs. Newlin played fullback and goalie while running up 115 steals and 20 saves.

Fullback/Halfback Grant Stewart was also a repeat all-leaguer. Stewart was tops in steals with 129 and contributed seven goals and four assists. Shane Ruggieri was in offensive stats from his left wing position with 12 goals and 12 assists. Mark Cwynar, the team's dominating offensive sweeper, managed 11 goals and six more assists. Versatile Jimmer Broff worked at forward and goalie spots to amass 11 goals, five assists, and 34 saves.

The championship game was one of the most physical games the bulldogs had to play. After 80 minutes of grueling, physical competition during the championship game, the two League Champions had to gear themselves for the concentration required of two overtime periods of 10 minutes. During the first half of the championship game, the Bulldogs dominated play with their ball control and passing game. Their tenacious defensive tactics appeared to have the St. Patrick Bruins off balance in the first overtime but the Bulldogs were defeated in the last minutes of the second overtime period, giving the Bruins the T.O.C. Championship title. Folsom did not end the season empty handed, taking the GEL crown made this Folsom's fifth league championship.

DEDICATION

Rae "Malloy" Logan

1968 FOLSOM HIGH SCHOOL 1988

We, the students at Folsom High School, would like to dedicate the 1988 'El Ore' to Rae "Malloy" Logan. Mrs. Malloy has spent twenty years at Folsom High School working and interacting with the students and staff. She has been in charge of attendance and records, but has ridden the busses to games, attended athletic events, plays, dances, and most all extra-curricular activities. Mrs. Malloy has always been involved and interested.

The students and staff have enjoyed her friendly smile, her Texas accent, her loyalty, and her conscientiousness in her job.

We will miss her, but we wish her the best as Mrs. Jack Logan in Muleshoe, Texas.

We've got a feeling for our hometown.

We're part of the real estate system that brings more buyers and sellers together than any other. And even though the CENTURY 21 organization has become the largest home selling system in America, independently owned and operated hometown offices like ours still do it—one home at a time. Give us a call today and get the hometown advantage working for you.

Put Number 1 to work for you.

How to influence an 18-year-old.

MUSIC. Discuss current trends with your son as his stereo blasts away at full power. Drop the following names: "The Boss," New Edition, Rush. The rest of the time just mumble.

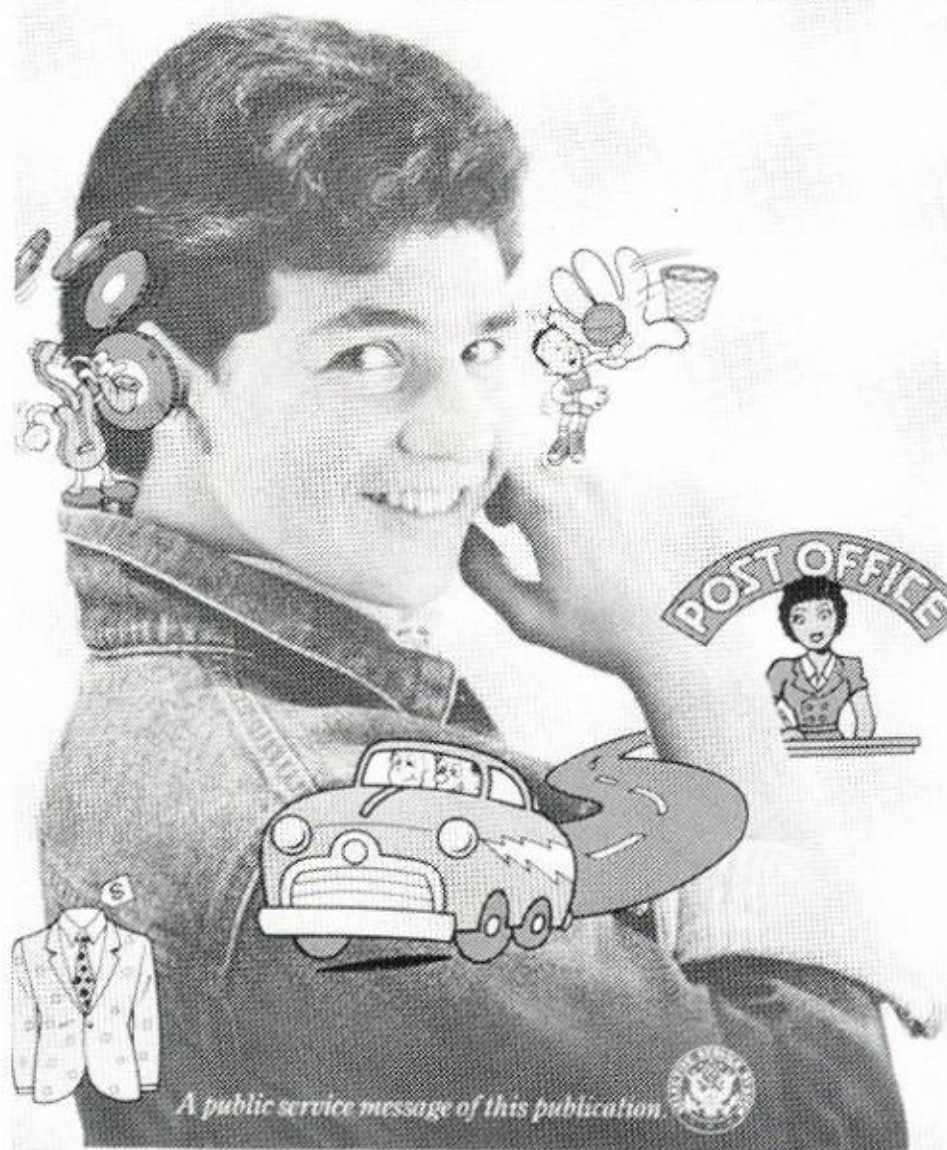

SPORTS CAR. So what if he can't pronounce Porsche? Give in and buy him a sports car. That will get his attention.

SPORTS. Gain his undying love by repairing the garage basketball backboard and adding overhead lighting for night games.

NEW THREADS. You've heard of "Dress for Success?" Well, today it's "Dress to Excess." Close your eyes and buy him a new wardrobe.

POST OFFICE. The post office isn't really an influence, it's a destination—within a month of every male's 18th birthday. Here he must register with Selective Service. However, some young men put off registering, and a few decide not to register at all. That's why we're making this direct appeal to you. We need you to help influence your son to register—and to do so on time. You see, registration is the law. And, it's required for federal student loans, federal employment and job training benefits. Don't let a young man you know miss out on any federal or state benefits. Make sure he knows about registering with Selective Service. A complete registration list saves our country six vital weeks in mobilizing our manpower in a national emergency.

Selective Service Registration.
It's Quick. It's Easy. And it's the Law.

Editor's Note

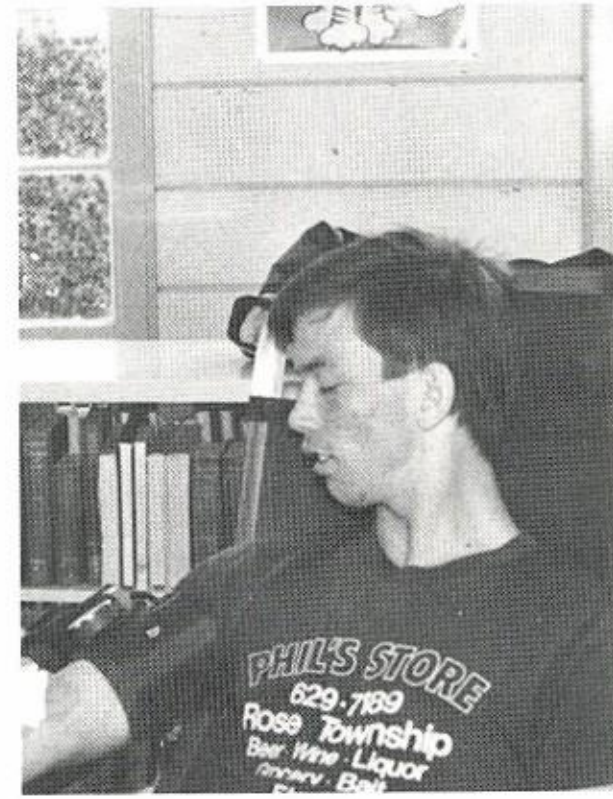

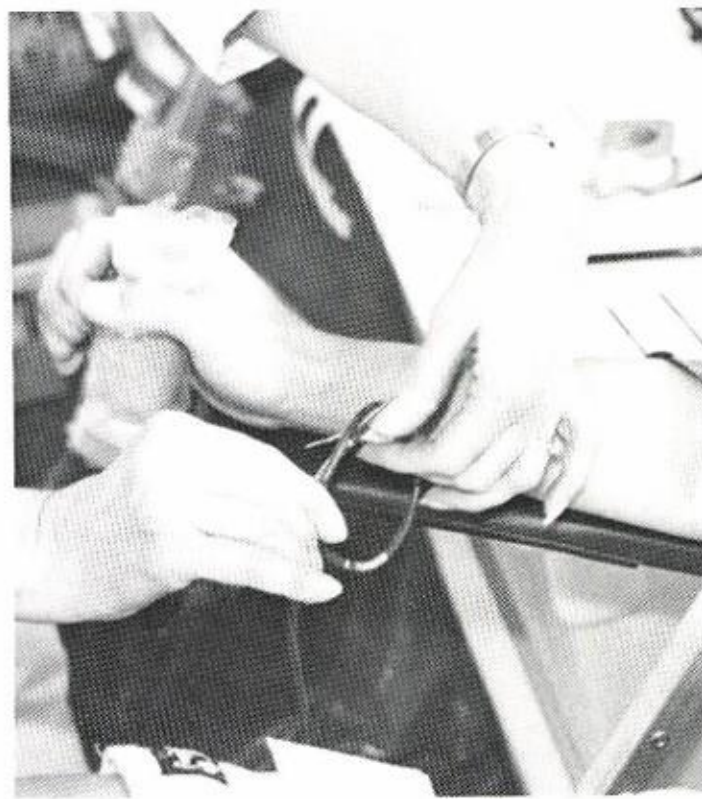

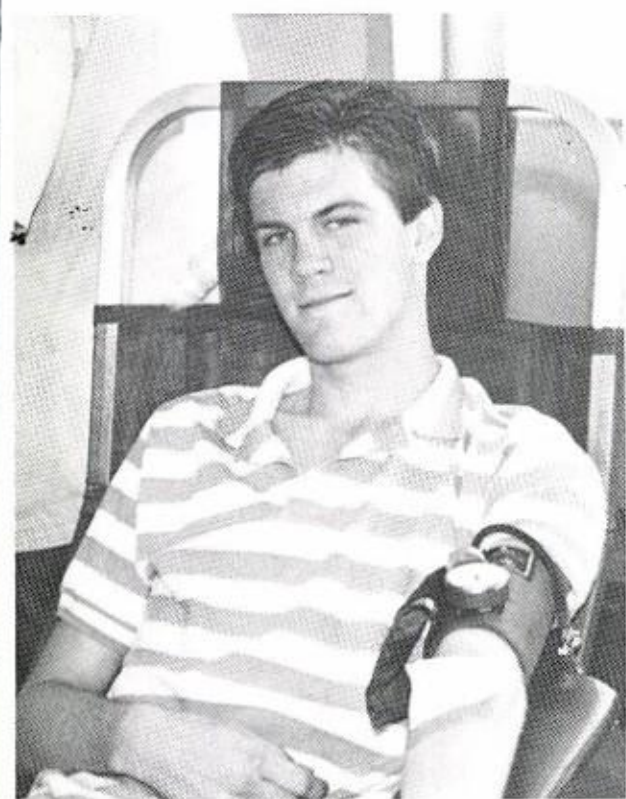

If someone had told me last year I would be laying in bed this year writing the editor's note with the book almost completed I would have laughed. I've learned a lot this year about what goes into publishing the **El Oro**. Its not an easy process, but the rewards are great. The yearbook is full of memories of the past year, Homecoming, football games, basketball games, dances, Sadie Hawkins, the blood drive, and in the supplement, Junior Prom, Senior Ball, Junior/Senior Picnic and finally graduation. I'd like to thank Devin Ajax and Mike Cather for all the work in the darkroom. Without them we would have missed deadlines, causing the book to be late. (Why do I feel like I'm writing an acceptance speech for the Oscar's or something?) I'd like to thank the advertisers who supported our yearbook by purchasing ads. To the parents who bought baby ads, thank you for trying this new idea in our yearbook. To the staff, I leave the yearbook. This is a joint effort and we all deserve this book! Thank you, also, for selling ads, finishing your layouts, taking pictures, and even sacrificing your week-end so we could meet our deadline. Finally my thanks to Mr. Jarman, who sacrificed more than one week-end so we could meet our deadlines. I hope everyone remembers 1987-88 fondly and looks back in our yearbook to share the memories of this year. We gave it our best shot and are proud of the end result. Hope everyone enjoys the 1987-88 **El Oro**.

Good luck next year,

Karen Woods

THE YEAR IN

The Cosby Show

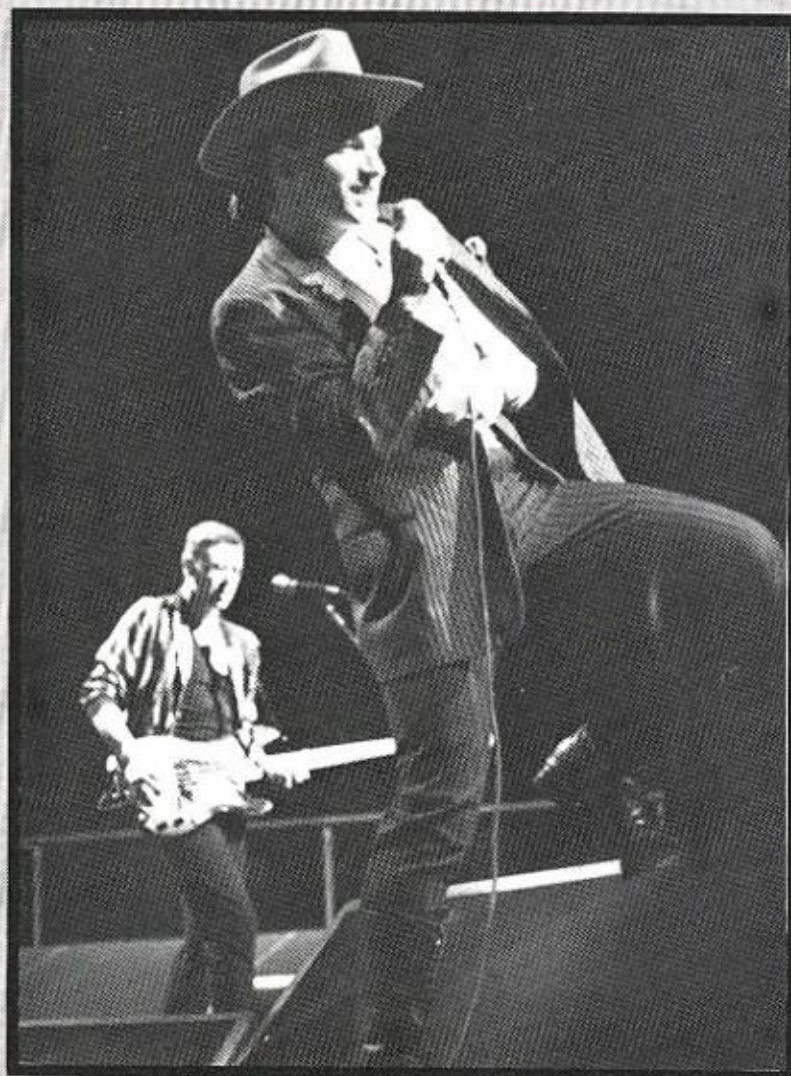

Max Headroom

U2

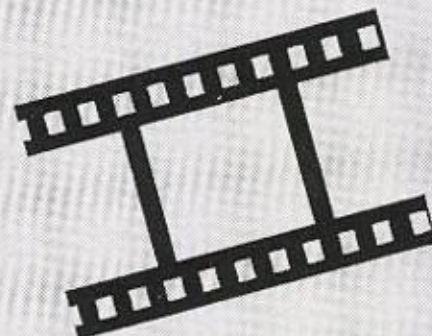

This past year in entertainment was as varied as it was exciting. While old standards such as Moonlighting and the Cosby Show maintained their high positions on the world of television, new arrivals such as Charlie Sheen on screen and many newcomers on the radio made great impacts in their respective fields. Popular television this year was again fun and family related, and the theatre was very big this year was a result of such plays as Cats, which sold out in theatres across the nation.

Music was probably more diverse this year than any other, but the big band this year was U2. With the Joshua Tree album and subsequent tour, U2 became the most popular band on the planet. The Joshua Tree excitement climaxed with the album's winning of the Grammy for best album and the band winning best performance by a group or duo.
